

# OFFICIAL OPENING CEREMONY OF THE WOODEN SPOON SENSORY ROOM

On Friday 27<sup>th</sup> April 2018, a ceremony was held to mark the official opening of the Wooden Spoon Sensory Room, named in recognition of the generosity of the Wooden Spoon Charity.

**Martin Corry MBE, a living legend in the world of Rugby, unveiled a commemorative plaque and met some of our students.**

The bespoke room houses a variety of sensory stimulating equipment - bright fibre-optic lights, bubble tubes and a screen that projects

interactive images on the floor to name but a few.

It is designed to enhance children's sensory skills, hand-eye co-ordination, concentration and levels of alertness.

Official guests, who included representative from local football clubs, school Governors and the Wooden

Spoon Rugby Manager, were taken on a tour of the school to see other facilities at Nexus, including the Hydrotherapy pool.
