

Communication and Interaction Surgery

This free drop-in session provides an opportunity to discuss specific children that are of concern with regards to their communication and interaction needs or presentation in school.

Our aim is to support SENCOs with identifying strategies and signposting interventions and resources available to schools, either through our STLS SEND Lending Library or online websites and apps. Relevant training opportunities can be highlighted for staff.

TARGET AUDIENCE

Primary and Secondary SENCOs and Inclusions Managers

DATE & VENUE

October 7, 2020 9:30-12:30*

Nexus Foundation Special School, Upper Haysden Lane, Tonbridge, TN11 8AA

****To make this session more effective we will provide time slots which will be allocated two weeks prior to the drop in.***

To confirm your place please complete the booking slip and return to the administrator below
