

Cognition and Learning Surgery - STLS/Speech and Language

This free drop-in session provides an opportunity to discuss children (either anonymously or named with parental permission) that are of concern with regards to their slow academic progress/speech and language needs.

Our aim is to support SENCOs with identifying the barriers to learning for these particular children through interpretation of school assessment data and support/interventions that can be put in place.

TARGET AUDIENCE

Primary and Secondary SENCOs

DATE & VENUE

October 8, 2020 9:30-3:30*

Nexus Foundation Special School, Upper Haysden Lane, Tonbridge, TN11 8AA

****To make this session more effective we will provide time slots which will be allocated two weeks prior to the drop in.***

To confirm your place please complete the booking slip and return to the administrator below
