Issue 37 – 07/06/19

This week's featured class is Hummingbird. The class have been learning about habitats and animals through a range of activities in and out of the classroom. It got quite messy at times!

Our new Assistant Headteacher (AHT) for Lower School, Ruth Brown, started with us this week. Ruth will be spending the remainder of the summer term in school getting to know the staff and students and I'm sure you will see her around.

The school allotment is really starting to come to life as a result of all the hard work from students and staff. Our green house and a new shed are now in place and lots of planting and growing has started.

We are currently reviewing our morning drop off and afternoon collection procedures in order to make this process safer, quicker and easier for students. I will write to you next week with more information on this.

Have a great weekend.

Last term our topic was habitats and the pupils learnt about different animals and read stories like the Gruffalo and We're Going on a Bear Hunt.

They had fun making their own binoculars to look for bears, they painted a cave to hide in, they painted pictures and faces of bears and practised using scissors.

We have also been making the most of the outside space and the good weather.

WOW MOMENTS!

We know that your children do amazing things outside school. They are part of clubs. They excel in sport or dance. They win competitions, take part in charity events and much more that makes everyone very proud of what they have done. These are **WOW MOMENTS** that we, in school, may never see...unless you tell us about them!

If your child has achieved something through their hard work and persistence please let us know. If they have a copy of a certificate, a photograph or something that shows what they have achieved please encourage them to bring into class we will pin it up on our **WOW tree** for **EVERYONE TO SEE!**

We want to educate ‘the whole child’ at Nexus and we really want to share their successes at school. You can use the attached templates to complete some **WOW moments**.
