Issue 38 – 14/06/19

This week's featured class is Owl. Owl class joined the rest of the school on Wednesday this week to take part in 'Enrichment Day' where all students took part in different and new activities. Owl class had a wonderful time exploring the animals who came to visit us, including a rather grumpy hedgehog who didn't want to be woken up.

The Enrichment day was an extended day and I want to say a big thank you to all the staff who planned the activities and created a day full of wonderful memories and experiences. There were some very tired students and staff on Thursday after such a busy day.

I will be sending out a new school 'Code of conduct' for all staff/parents/carers and visitors to the school regarding appropriate behaviour while on the school site. Please take time to read this document when it comes out.

We have had a special visitor in school over the last week who some of you have met. His name is Dudley, and he is an eight year old black Labrador. Dudley spent four years working as a therapy dog but has come out of retirement and become a celebrity at Nexus.

[A quick reminder about sending in PE kits please.](#)

Have a great weekend.

Owl Class Newsletter

The highlight of our week has been Enrichment Day. We visited 'Wear 'm Out' in the morning, from which everyone came back very calm. In the afternoon we participated in the Amazing Animals experience. The children were very interested and gentle when they stroked or held the animals.

As part of the extended day, we were treated to a concert, and it was great to see everyone joining in, singing and dancing along.

I think I saw everyone have at least one WOW moment during the day. Well done everyone.

Enrichment Day 2019

WOW MOMENTS!

We know that your children do amazing things outside school. They are part of clubs. They excel in sport or dance. They win competitions, take part in charity events and much more that makes everyone very proud of what they have done. These are **WOW MOMENTS** that we, in school, may never see...unless you tell us about them!

If your child has achieved something through their hard work and persistence please let us know. If they have a copy of a certificate, a photograph or something that shows what they have achieved please encourage them to bring into class we will pin it up on our **WOW tree** for **EVERYONE TO SEE!**

We want to educate ‘the whole child’ at Nexus and we really want to share their successes at school. You can use the attached templates to complete some **WOW moments**.
