

# TONBRIDGE AND MALLING LIFT EXECUTIVE and INTEGRATED STEERING GROUP (ISG) MEETINGS 2020/2021

As the Headteacher or Nursery Manager of a school or setting within the Tonbridge and Malling District you have automatic membership of the LIFT Executive and ISG committees. School SENCOs who have representation on their Senior Leadership Team can also attend LIFT Executive meetings and report back to Headteachers. Your involvement and feedback as a school or setting within our District is essential in helping shape and direct the LIFT process, training and Outreach resources and support for our District's specific needs.

The LIFT Executive and the ISG meetings offer opportunities for school and setting leaders to meet with the Headteacher of Nexus, Scott Jarred, who chairs the meeting; the District Lead for STLS Judi Beggs and other agencies such as Early Help, Attendance and Exclusions, Kent Educational Psychology Service (KEPS) and Health representatives and network with other schools and settings within the District. LIFT Executive and ISG members support the formulation of a District Action Plan, Budget and funding allocations and provision within the District.

The LIFT Executive and the ISG meetings dates for the 2020/2021 academic year are as follows:
