

NQT/NQT +1 TRAINING SCHEDULE 2020-2021

<u>Date</u>	<u>Topic</u>	<u>Focus</u>
22 nd September 2020 1-4pm	Introduction to SEN followed by 'The Three D's'	This session will include an introduction to SEN, looking at the Code of Practice and the STLS role. We will then briefly look at dyslexia, dyscalculia and DCD - the specific difficulties linked with these and some strategies to support them
6 th October 2020 2-4pm	Behaviour, well-being and mental health in the classroom	An introduction to managing classroom behaviour with a focus on well-being and mental health.
20 th October 2020 2-4pm	De-escalation	This workshop will identify a range of strategies that will de-escalate potentially inappropriate, aggressive & anxious behaviour in school
10 th November 2020 2-4pm	ASD Theory for NQTs	Developing your knowledge and understanding of Autism
17 th November 2020 2-4pm	ASD Strategies for NQT's	Looking at practical support and interventions for children on the autism spectrum
8 th December 2020 2-4pm	Attachment and Resilience	An introduction to (and reminder of) attachment theory, how it may present in the classroom and some strategies to manage the associated behaviour. In addition, we will look at the importance of resilience, factors determining it and ideas to strengthen the resilience of children in school
8 th February 2021 2-4pm	NQT Surgery	An opportunity to ask questions that have arisen during the first half of the year
7 th July 2021 2-4pm	NQT discussion and evaluation	This session will offer you the opportunity to evaluate how you have applied knowledge from this course in your first year of teaching
