Our featured class this week is Cygnets our Nursey class and youngest Nexus students. Cygnets have been doing some amazing creativity work in class linked to the Hungry Caterpillar story. They have been learning about the story and linking lots of other work to it.

World Autism Awareness Board – Next time you come in to school please come and have a look at our autism awareness board in the café area which highlights some of the amazing skills and talents that our students have achieved outside of school. We will continue to add to this board so please keep sharing. Equally if you have anything that you would like to add to the WOW tree please send this in as well.

## **Cygnets Class**

Term 4 2018-19

This term we have been learning all about colours!  
This week we chose to read the story of The Very Hungry Caterpillar!

We have practiced our reading and writing skills as we explored the story and learned about the caterpillar.

We explored the textures and colours of the food that the hungry caterpillar ate and use them in lots of different ways.

We made choices and selected resources to create pieces to combine together to make a big class caterpillar.

We worked together to explore the colours of the caterpillar.

And we used the interactive whiteboard to explore the story in lots of different ways.

Have a wonderful Easter!!

# WOW MOMENTS!

We know that your children do amazing things outside school. They are part of clubs. They excel in sport or dance. They win competitions, take part in charity events and much more that makes everyone very proud of what they have done. These are **WOW MOMENTS** that we, in school, may never see...unless you tell us about them!

If your child has achieved something through their hard work and persistence please let us know. If they have a copy of a certificate, a photograph or something that shows what they have achieved please encourage them to bring into class we will pin it up on our **WOW tree** for **EVERYONE TO SEE!**

We want to educate ‘the whole child’ at Nexus and we really want to share their successes at school. You can use the attached templates to complete some **WOW moments**.
