Issue 36 – 24/05/19

This week's featured classes are Robin class and Kookaburra Class. Both classes joined up this week to visit the Hop Farm. They had an amazing time meeting the animals and exploring all the fun and weird activities available. Thank you to all the parents that came along and supported the visit.

As the weather continues to get hotter please ensure that your child is wearing suitable clothing, brings a hat for outdoor play, and where possible, has sun cream applied before coming to school. I know that this is not always possible and therefore we will do our best to keep pupils out of direct sunlight on the very hot days.

We have several sports competitions coming up in the second part of the summer term for students in both lower and upper school. We will let you know more details closer to the time.

I hope you all have a great half term and the weather remains sunny.

This week Robin and Kookaburra class went on a trip to The Hop Farm

We got to see, feed and stroke some animals.

Then we enjoyed the bouncy pillows, the magic castle and driving our own cars.

We would like to all say a big thank you to all the parents for their support, all of the children had a great day.

# WOW MOMENTS!

We know that your children do amazing things outside school. They are part of clubs. They excel in sport or dance. They win competitions, take part in charity events and much more that makes everyone very proud of what they have done. These are **WOW MOMENTS** that we, in school, may never see...unless you tell us about them!

If your child has achieved something through their hard work and persistence please let us know. If they have a copy of a certificate, a photograph or something that shows what they have achieved please encourage them to bring into class we will pin it up on our **WOW tree** for **EVERYONE TO SEE!**

We want to educate ‘the whole child’ at Nexus and we really want to share their successes at school. You can use the attached templates to complete some **WOW moments**.
