Issue 42 – 12/07/19

This week's featured class is Penguin. Penguin class have been creating a prayer mat as part of their religious education work. You can see the high levels of concentration and engagement from the students during this task.

One of our 14-19 students has produced an amazing piece of poetry which can be seen below. Poppy was able to construct this poem herself using her own ideas and symbology and is rightly very proud of her achievement.

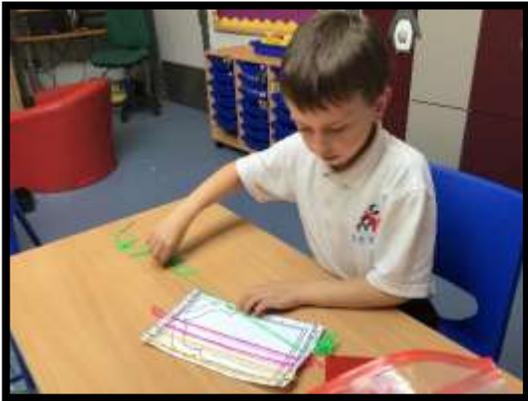

Next week is our last full week in school before the summer break. Please continue to send in donations to help with the summer fair. The PTA are also taking part in this year's SuperheroTri where members of the school community, including students, will be running/pushing, swimming and cycling to raise money for the new projector and screen in the school hall. There is a Go Fund Me link below if you would like to support them.

Have a great weekend

This term we have enjoyed learning about different festivals and holidays. The students enjoyed reading about Ramadan and making a prayer mat.

Nexus Field

By Poppy Nel

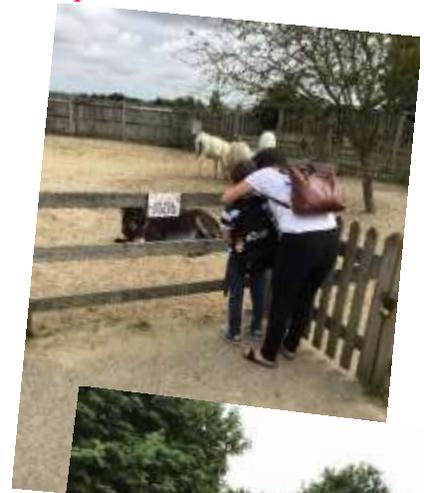

I can hear cars and laughter
All around me as I sit on the grass.
Birds flying in the sky
Like they are on a rollercoaster.

The yellow flowers on the grass
Like a field of corn.
The white clover
Like a carpet of mushrooms.

The sky was like water above me
As I lie on my back.
The fluffy clouds like marshmallows
Floating in the air.

WOW! Flamingo Class had a super day at The Hop Farm.
All the pupils enjoyed seeing the animals, playing in the park and the soft play area.
A big WELL DONE to everyone for their superb listening.
Thank you to the parent's that were able to help us!

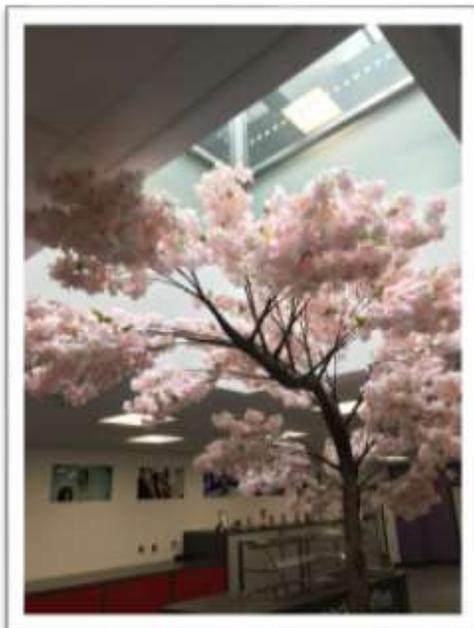

WOW MOMENTS!

We know that your children do amazing things outside school. They are part of clubs. They excel in sport or dance. They win competitions, take part in charity events and much more that makes everyone very proud of what they have done. These are **WOW MOMENTS** that we, in school, may never see...unless you tell us about them!

If your child has achieved something through their hard work and persistence please let us know. If they have a copy of a certificate, a photograph or something that shows what they have achieved please encourage them to bring into class we will pin it up on our **WOW tree** for **EVERYONE TO SEE!**

We want to educate ‘the whole child’ at Nexus and we really want to share their successes at school. You can use the attached templates to complete some **WOW moments**.
