Issue 13 – 12/10 /18

Today is the last day of term one. There has been so much hard work in school this term and lots of progress across the whole school and I would like to say a huge well done to all of our fantastic students.

You will be aware that we are currently setting up our school PTA and we will be holding our first Annual General Meeting (AGM) on Wednesday 31st October at 9.30. The meeting is open to all parents and we will be formally voting on the key positions of the PTA as well as some additional fundraising elements.

You will find some information below on a fundraising page that has been setup to raise funds for the school through your day to day shopping. Please take some time to look at this and register.

Students who would like to dress up for Halloween are welcome to do so. We will be having some Halloween fun on Friday 2nd November with and If your child would like to take part we are asking that they 'Bring a bottle' that we can then use on one of our Christmas Fayre stalls.

I would like to thank all of the staff team here at Nexus for their hard work over this first term.

I hope you all have an enjoyable half term break and look forward to seeing the students back at school on Monday 29th October.

SG4 Class News

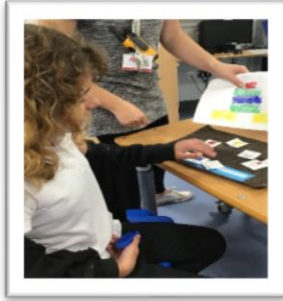

SG4 Newsletter!

Welcome to SG4. We hope that everyone had a lovely summer break. This term the topic has been about Me, Myself and I. Students have enjoyed making prints with their hands and feet in our art lessons.

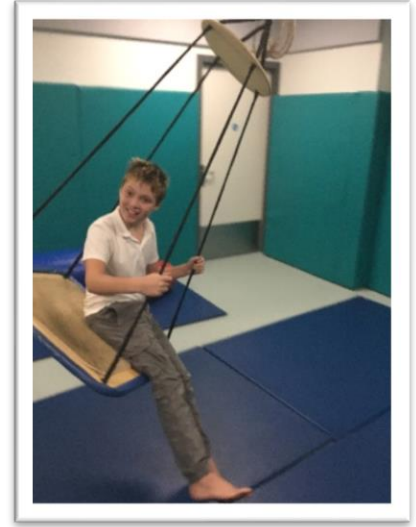

The students have been working hard developing their communication skills. Some students have been working together developing social skills during Lego Therapy.

Students have enjoyed accessing the Sensory Integration room weekly. Students have enjoyed going on the different swings and equipment available. Students have been using a communication board to choose what they would like.

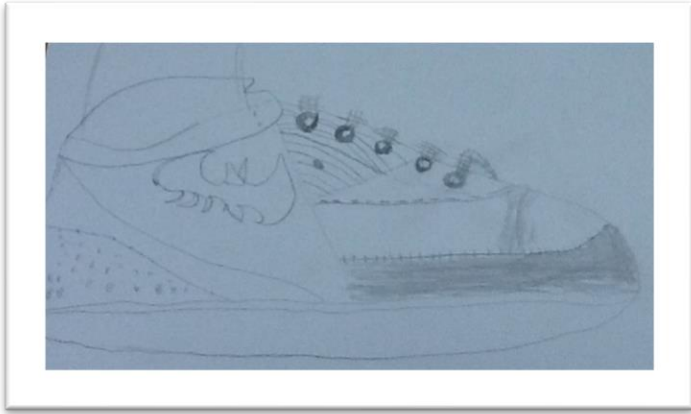

SG1 – this term our topic art is sketching

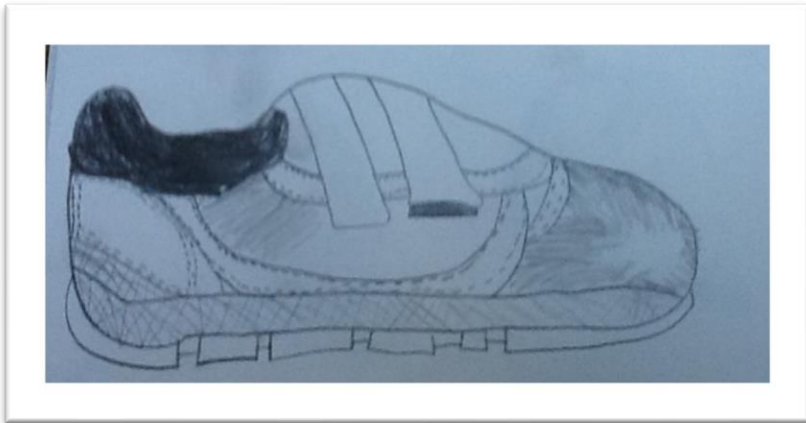

The students have been practicing line drawing, shading and tone using different graded pencils. They applied their skills to sketching their own shoes. Here are just a few sketches.

One our agency staff, who is an artist, sketches these images of the students. He showed them how to use the techniques they have been learning when sketching.

Can you guess who these students are?
