Issue 17 – 23/11/18

Term 2

Our new soft play room has been installed this week and is almost complete. There are still a few panels to fit but this should be completed within the next couple of weeks.

The allotment has had a dividing fence installed this week which separates the two main areas; one for focused horticulture/growing, and the other for play based and experiential learning including a sand pit and mud kitchen.

This weeks featured class is Kingfisher class, and you can find out some more information about what they have been doing below.

There are still a few things we need for the upcoming Christmas Fayre (please see below). If you are able to donate anything to the Fayre it will be gratefully received.

I hope you all have an enjoyable weekend.

POST 16 CAFE

The TG Enterprise team will be continuing their café next Tuesday in the cafeteria at 2 pm until 2.30pm. It's for parents, carers, escorts and drivers at the moment. They will be serving hot and cold drinks, scones and cookies.

Kingfisher Class news

Pupils in Kingfisher class have been learning about shapes and have been using them to complete art work like these pumpkins pictures. They worked hard to complete the pictures independently matching the shapes on to the picture.

In mark making pupils have used sand trays to make marks to reveal autumn pictures.

In art we have used leaves to make hedgehog pictures. We have also been working hard to clean the classroom once we have finished our work, washing the tables and cleaning the windows.

The children have enjoyed exploring all the different activities and sensory materials and have worked hard during all the sessions, sharing with their friends and trying to work independently.
