

“ If you can get the science into the hands of the general population, they will invent very wise actions. ”

Angel Lane CIC is a not-for-profit social action project.

As delivery partner to SPACE matters, a collaborative project across Kent and Medway to prevent and reduce the impact of adverse childhood experiences (ACEs), we are offering free community and online screenings of the film Resilience.

“ The child may not remember but the body remembers. ”

RESILIENCE is an award-winning, one-hour documentary which delves into the science of **Adverse Childhood Experiences**

(ACEs) and the birth of a new movement to treat and prevent Toxic Stress. It investigates the detrimental impact that ACEs can have on health - in childhood and beyond - [see trailer](#).
