

## Student Summary - Initial Record of Information

Student Name \_\_\_\_\_

Year Group \_\_\_\_\_

Consider – Relationship with the curriculum, others and self from **ALL** perspectives

<p><b><u>Presentation</u></b> A) The behaviours they exhibit that cause concern. (What is it that s/he does or doesn't do that causes problems?)</p>	<p>If applicable, notes on home, community or other factors that may be affecting this</p>
<p><b><u>Learning</u></b> B) Their general ability as a learner and response (attitude and behaviour) when taking part in learning activities. What are they good at, what do they struggle with, what's their progress like?</p>	<p>If applicable, notes on home, community or other factors that may be affecting this</p>
<p><b><u>Social</u></b> C) How they present socially (how are they when taking part in group work, what are their interactions with adults and their peers like? How do they cope with the social demands of the setting?)</p>	<p>If applicable, notes on home, community or other factors that may be affecting this</p>
<p><b><u>Emotional</u></b> D) How they present emotionally (how do they respond when presented with unfamiliar or difficult tasks? Do they appear confident? How well do they manage strong emotions? What do you think their self-esteem is like?)</p>	<p>If applicable, notes on home, community or other factors that may be affecting this</p>
