

### **Flamingo Class Term 4 Home Learning Challenges:**

Please find below a list of Home Learning Challenges based around our topic for this term 'Fire, Fire!'.

The idea of the challenges is to work on them across the term, sending in pieces of work when they have been completed in order for your child to share them with the class.

- Continue with reading a range of books – What is the most interesting/creative place you can find to read? Send in a photograph of you reading here!
- My Maths – Online Maths Learning. Class Teacher to set individual learning activities as required.
- Can you research what to do if there is a fire? Create a fire safety poster explaining what to do!
- Find a Victorian recipe, bake it, eat it and review it! Can you send in a photo of your finished product?
- Research life during 'The Great Fire of London'. What was it like? How is it different to life now?
