

# Flamingo Class News

## Term 2

We hope you all had a lovely half term!

We are extremely excited to welcome everyone back for an exciting Term 2!

Our Term 2 topic is 'Polar Adventure'. We are looking forward to learning all about the weather and seasons around the world, appropriate clothing, animals that live in Antarctica and people who have explored there. We will also try some Science investigations!

In Maths we will be continuing to practice and develop our number skills.

In Reading and Writing we have some new class stories to read and will have writing and group activities to support these. We will also share our Weekend News every Tuesday with our peers and write about our exciting adventures and our WOW moments.

If you have any questions, then please do not hesitate to contact a member of the Flamingo Class team.
